Subject: **Application for Ethical approval of a research/study**

To
The Registrar
Nepal Veterinary Council (NVC)
Veterinary Complex, Tripureswor, Kathmandu

Dear Sir/Madam,

I, along with my team of scientists, would like to submit an application, together with the copies of prescribed documents, for the ethical approval on a research/study described below.

1. Title of research/Study:
2. Type of study (specify if the study is a part of academic requirement e.g. undergraduate, graduate, post graduate study or other research program)
3. Research methodology in brief (specify if it is a cross sectional study using questionnaire, interview, analysis of biological samples or any other):
4. Mention the area of animal use (Specify the activities where animals are involved eg, sample collection, surgical intervention, medication, etc):
5. name of researchers/scientists (required at least on registered veterinarians)
 - a. Principal Researcher with NVC Regd no.:
 - b. Name of Supervisor/Co-supervisor with NVC Regd no.:
6. Financial source:
 - a. Total budget:
 - b. Source:

7. Name of Research laboratory:.

I would like to assure that the welfare aspect of animal will be well taken care in compliance with the ethical rules, regulation terms and conditions of NVC during the research/study.

The information mentioned here are true the best of my knowledge. I shall abide by the rules, regulation, terms and conditions of NVC and the conventional legislation during the study/research.

Thank you for your kind cooperation.
